## 3 DEMANDS MIREYA W.

### DEMAND 1

**A.I. shouldn't be allowed to write things fully**

A.I. should only be able to help touch up scripts or help out with small grammatical issues. I don't think it should be writing the scripts. It can't write the way a human can.

We work hard. A.I. can't do the job like we do. We should be paid rightfully. We deserve the money. A.I. shouldn't be writing, let alone taking our jobs.

### THURSDAY

**We should have full wages**

### FRIDAY

**A.I. shouldn't be a part of this industry.**

A.I. doesn't belong in the writing industry. A.I. can not feel like a human can, it can not write like a human can. A.I. can not replace a human writer, for you can not catch the same emotion in in it's writing.
